OATH

I certify and affirm that

(1) The work presented is 100% my own. I have not collaborated with anyone else on this test.

(2) I have not misrepresented someone's else's work as my own. I have not used ChatGPT or automated programming tools.

(3) I have not assisted anyone else on this exam.

(4) I will not discuss, nor in any way divulge the contents of this exam with anyone else until after the exam is due.

(5) I understand that my failure to abide by my oath may result in failing the course or receiving a lower course grade.
